education

Northwestern University (2014 - 2018)

B.S. in Computer Science. 3.59 GPA.

work experience

Delta Lab (June 2015 - present) **Undergraduate Research Assistant**

Performed user research by analyzing over 100 interviews with crowdfunding entrepreneurs to identify opportunities for developing crowdfunding support systems.

Knight Lab (June 2015 - present) **Student Fellow**

Worked in a team of seven Knight Lab fellows and staff members on UI/UX design and content development for learn.knightlab.com, a tutorial web application based around student-created lessons built in Google Polymer.

KnowledgeWorks (June - September 2014) **Graphic Design/Marketing Intern**

Created graphics and print materials for various company functions and reports, including a staff retreat. Aided in company transition to a new intranet and performed search engine optimization on the KnowledgeWorks blog.
